

1. CLIENT ONBOARDING (Detailed with Roles)

Step 1: Initial Consultation (Account Manager leads)

Owner: Account Manager

Support: SEO Dept Head (if needed)

What happens:

- Discovery call / meeting with client
- Understand business, goals, expectations
- Collect access (website, analytics, CMS, etc.)

Initial Consultation Questionnaire

Focus on **timeline-based goals**:

3 Months (Short-Term Goals)

- What immediate results do you expect? (traffic, leads, rankings)
- Any urgent campaigns, launches, or promotions?
- Priority services/products to push?
- Current challenges (low traffic, no rankings, poor conversions)

6 Months (Mid-Term Goals)

- Target growth expectations (traffic %, leads, revenue)
- Expansion into new keywords or markets?
- Content expectations (blogs, landing pages)
- Competitors you want to outrank

1 Year (Long-Term Goals)

- Business goals tied to SEO (market leadership, authority)
- Geographic expansion (local → regional/global)
- Brand positioning (thought leadership, niche dominance)
- Expected ROI or KPIs
